

COTTAGING:

(looking for sex in public toilets)

Reasons not to do it.....

- You could get **CAUGHT**
 - prosecuted (court)
 - newspaper coverage (not a youth anymore!)

- You could get **RAPED** or **SEXUALLY ASSAULTED**

- You could get into **PROSTITUTION** – dangerous for all sorts of reasons:
 - sexually transmitted disease
 - risk of violence
 - open to being taken advantage of
 - sex without relationship
